

Transportation Survey – Lunenburg

The Town of Lunenburg is currently considering increasing MART bus service. To maximize the usefulness of this additional transportation, the Town is seeking citizen input. Please complete this survey to help us help you!

The current bus route runs from the Intermodal Center in Fitchburg with stops at the Wallace Plaza, Cinema World, Lunenburg Crossing (Hannaford/WALMART), Reliant Medical Group, and then back to the Intermodal Center. **We are considering adding to this route and would like to know if this would be beneficial and the times that would be most useful to our citizens.**

Please check **one** additional loop that would best suit your needs:
